## PRETTYGATE INFANT AND JUNIOR SCHOOL SINGLE EQUAL OPPORTUNITIES POLICY

Reviewed Annually summer term

### VISION

Together as friends we will:  
Discover and learn,  
Play and be happy,  
Stay safe and healthy,  
Be proud of who we are.

### PHILOSOPHY

To promote a framework which will enable all pupils and staff achieve the vision.

The law gives us guidance and provides positive duties for schools to promote equality. At Prettygate Infant School we follow the following guiding principles to ensure this is so for the whole school community.

#### 1. Guiding principles

In fulfilling the legal obligations referred to above and summarised in Appendix A, we are guided the following principles.

##### **Principle 1: All learners are of equal value**

We see all learners and potential learners as of equal value:

- whether or not they are disabled
- whatever their ethnicity, culture, religious affiliation, national origin or national status
- whichever their gender.

##### **Principle 2: We recognise and respect diversity**

Treating people equally does not necessarily involve treating them all the same. Our policies, procedures and activities must not discriminate, but are differentiated, as appropriate, to take account of differences of life-experience, outlook and background, and in the kinds of barrier and disadvantage which people may face, in relation to:

- disability, so that reasonable adjustments are made
- ethnicity, so that different cultural backgrounds and experiences of prejudice are recognised
- gender, so that the different needs and experiences of girls and boys, women and men are recognised.

##### **Principle 3: We foster positive attitudes and relationships, and a shared sense of cohesion and belonging**

We intend that our policies, procedures and activities should promote:

- positive attitudes towards disabled people, good relations between disabled and non-disabled people, and an absence of harassment of disabled people

- positive interaction, good relations and dialogue between groups and communities different from each other in terms of ethnicity, culture, religious affiliation, national origin or national status, and an absence of prejudice-related bullying and incidents
- mutual respect and good relations between boys and girls, women and men, and an absence of sexual harassment

As a community school Prettygate Infant School takes its commitment to the duty to promote community cohesion very seriously and we have agreed a Community Cohesion statement (see Appendix).

**Principle 4: Staff recruitment, retention and development**

Policies and procedures should benefit all employees and potential employees, for example in recruitment and promotion, and in continuing professional development:

- whether or not they are disabled
- whatever their ethnicity, culture, religious affiliation, national origin or national status
- whichever their gender.

**Principle 5: We aim to reduce and remove inequalities and barriers that already exist**

In addition to avoiding or minimising possible negative impacts, we take opportunities to maximise positive impacts by reducing and removing inequalities and barriers that may already exist between:

- disabled and non-disabled people
- people of different ethnic, cultural and religious backgrounds
- girls and boys, women and men.

**2. Action plans**

We recognise that the actions resulting from a policy are what make a difference. Each year we draw up an action plan within the framework of the overall school improvement plan, setting out the specific actions and projects we intend to undertake to implement the principles above. Our current action plan is set out in Appendix B.

**3. The curriculum**

We keep each curriculum subject or area under review in order to ensure that teaching and learning reflect the principles above.

**4. Ethos and organisation**

We ensure that the guiding principles apply also to the full range of our policies and practices, including those that are concerned with:

- learners' progress, attainment and assessment
- learners' personal development, welfare and well-being
- teaching styles and strategies
- admissions and attendance
- staff recruitment, retention and professional development
- care, guidance and support
- behaviour, discipline and exclusions
- working in partnership with parents, carers and guardians
- working with the wider community.

**5. Addressing prejudice and prejudice-related bullying**

The school is opposed to all forms of prejudice which stand in the way of fulfilling the legal duties:

- prejudices around disability and special educational needs

- prejudices around racism and xenophobia (including those that are directed towards religious groups and communities, for example antisemitism and Islamophobia, and those that are directed against Travellers, refugees and people seeking asylum)
- prejudices reflecting sexism and homophobia.

The guidance in the staff handbook states how prejudice-related incidents should be identified, assessed, recorded and dealt with.

We take seriously our obligation to report regularly to the local authority about the numbers, types and seriousness of prejudice-related incidents at our school and how they were dealt with.

## **6. Roles and responsibilities**

The governing body is responsible for ensuring that the school complies with legislation, and that this policy and its related procedures and strategies are implemented.

A member of the governing body has a watching brief regarding the implementation of this policy.

The headteacher is responsible for implementing the policy; for ensuring that all staff are aware of their responsibilities and are given appropriate training and support; and for taking appropriate action in any cases of unlawful discrimination.

A senior member of staff has day-to-day responsibility for co-ordinating implementation of the policy.

All staff are expected to:

- promote an inclusive and collaborative ethos in their classroom
- deal with any prejudice-related incidents that may occur
- identify and challenge bias and stereotyping in the curriculum
- support pupils in their class for whom English is an additional language
- keep up-to-date with equalities legislation relevant to their work.

## **7. Information and resources**

We ensure that the content of this policy is known to all staff and governors and, as appropriate, to all pupils and parents.

## **8. Religious observance**

We respect the religious beliefs and practice of all staff, pupils and parents, and comply with reasonable requests relating to religious observance and practice.

## **9. Staff development and training**

We ensure that all staff, including support and administrative staff, receive appropriate training and opportunities for professional development, both as individuals and as groups or teams.

## **10. Breaches of the policy**

Breaches of this policy will be dealt with in the same ways that breaches of other school policies are dealt with, as determined by the headteacher and governing body.

## **11. Monitoring and evaluation**

We collect, study and use quantitative and qualitative data relating to the implementation of this policy, and make adjustments as appropriate.

In particular we collect, analyse and use data relation to achievement, broken down as appropriate according to disabilities and special educational needs; ethnicity, language and gender.

This policy should be read in conjunction with the following:

Special Educational Needs and Inclusion Policy

Gifted and Talented Policy

Sex and Relationships Policy

RE Policy

Safeguarding and Child Protection Policy

Community Cohesion Statement
